

**Welcome
To
EGERTON
~
Your Information Pack**

Congratulations on choosing Egerton as your home. If you dip into the information in this guide and use it wisely, you should reap the benefit of many years of enjoyment without having to buy an extended warranty.....

Egerton is a small village in terms of population, just over 1000 inhabitants at the 2001 Census, possibly roughly the same at the last Census in 2011. However, because of the commitment and dedication of many people in the village, it is a very lively and active village. The village won Ashford's Community of the Year in 2000, was Environment Category Winner for Southern and South East England in the Regional Village of the Year Competition in 2001 and were selected as one of the last six villages in the Village of the Year Competition in 2001, having won the Southern and South East England Regional category earlier that year.

Egerton is on the top of a hill on the Greensand Ridge, south of the North Downs, with Egerton Forstal at its foot, on the Weald. Egerton's long history is reflected throughout the village in its architecture, land use, field patterns and family names. A significant part of the village is a designated Conservation Area and all around there are many listed buildings and protected trees. The Parish Design Statement, on the village website, www.egerton-kent.co.uk sets out the rich history, geography and environment that makes Egerton such a treasured place. The former local History Group also published three interesting books, one entitled "A History of Egerton 1900-2000", the second "Pictorial Egerton" and the third "Egerton People Past and Present". Contact Pat Parr on 01233 756601 if you are interested in these books.

This Welcome Pack is your essential guide to what you may need to know, what services are available for you and your family and who to contact should you wish to join in any of the many clubs, organisations and activities that make Egerton such a thriving village.

FRIENDS OF ST. JAMES' CHURCH

This is a small charity for all those who wish to preserve St James' Church as part of the local community and its heritage.

For more than seven hundred years a church has stood in the centre of the village, with a tower that is a landmark for miles around. Two of the bells are nearly 400 years old, and the organ was installed in 1861.

In the Chancel, there is a very fine three branch, tiered brass chandelier, thought to be unique, built in 1699 by the then Master of the Worshipful Company of Armourers and Brasiers in the City of London and installed, initially, in All Saints Church Maidstone. It found its way to St. James after the arrival of gas in Maidstone.

The church is enriched by the solid alabaster effigy (installed in 2007) of Sir John Darrell, Baronet (1435-1509), who was Sheriff of Kent. At his feet lies a lion crowned, with its tail curling up to cover his left foot. In the sole of the right foot rests a little monk asleep, his head resting on his hand. Sir John's original helmet is placed on the wall opposite.

Today St James is used for Sunday worship, weekly school assembly, special services, and concerts. By joining The Friends, you will help to ensure that this historic building will remain an important feature of the village of Egerton, part of our heritage for future generations.

If you would like to become a member of this charity then single membership is £8.00 and joint membership is £12.00 per annum, or there is life membership which is: Single:£100.00, single pensioner (60+) £65.00, joint: £150.00 and joint pensioners (60+) £100.00.

Events

CRICKET WEEK

Egerton Cricket Club started its cricket week as a one-off to raise money to help fund the pavilion. The first cricket week in 2002 was such a success, however, that they now run triennially with the music festival and the fete. The next cricket week is 2019. For more information on Egerton Cricket Club, contact Paul Hope on 07885509751. See also "*Outdoor Recreation*".

EGERTON MUSIC FESTIVAL

In 1997, Egerton held its first Music Festival, in order to raise funds for the Millennium Hall. Hundreds of singers and musicians took part in a week of concerts and events that caught the imagination of audiences and performers alike. The Festival now runs for two weeks and the aim is to provide a wide variety of music from classical concerts to folk and jazz and for concerts to be accessible in terms of price and choice of programmes. 2017 is the year for the next Music Festival, provisional dates are 28th June to 2nd July. With a "fringe" of events in the pubs and around the village there really is "something for everyone"! For further details please contact the Secretary at The Granary, Newland Green, Egerton, Kent, TN27 9EP 01233 756775. Email: ljanecarr@btinternet.com or go to their website at www.egertonmusicfestival.co.uk.

VILLAGE FETE

There have been fetes held in Egerton for many years - there is still in existence a video of the 1930's fete. However, the first of the current series of "Egerton Summer Fetes" took place in 1986. The

organisers at the time decided not to hold the fete every year, which some of the nearby villages do, but instead the fete has now settled into a triennial pattern with the Music Festival and the Cricket Week. The fete raises money for local charities in the village, providing much needed funds for the playing fields, the school, the maintenance of the fabric of the parish church and the village hall, games barn and sports pavilion.

Attracting crowds of several thousand, it has always proved to be a very popular and fun day out with events ranging from a coconut shy, a slippery pole and a tombola to sheep shearing, dog shows and displays from local dance groups. A large selection of historic vehicles and music from local bands alongside food and drink provided by local groups make for a very enjoyable day. The 2015 fete raised over £9,000, a staggering sum which indicates the amount of support Egerton people give to their fete. Help is always welcome and everyone is encouraged to do as much as they can.

The next fete will be in 2018.

XMAS FAIR

At the beginning of December every year there is a wonderful open-air Christmas Fair, with the emphasis on children. It is an opportunity for local organisations to raise a bit of money for their worthy causes. The school, church, WI, playgroup, cricket club etc. all have stalls at the event. It is held on The Glebe which is opposite the shop and there is always a wonderful atmosphere, especially as it gets dark. There is usually a performance by the local children of some drama they have rehearsed and carol singing around the Christmas tree with the Salvation Army. A

BBQ provides some of the food, a local resident makes the rum punch and there is tea, coffee and buns at another stall. Of course, Santa pays us a visit too! The 2017 fair is in danger of not happening due to a critical shortage of committee members to organise this. Please would you contact the Clerk of the Egerton Parish Council if you could help this popular event to continue. Heather's phone number is 01233 756501.

Housing

Ashford Borough Council (ABC) is the borough's biggest landlord with 5000 council homes, some of which are in Egerton in New Road, Crockenhill and Forstal Road (some now in private ownership). Tenants have the right to have a say about the way their homes and communities are managed.

ABC works in partnership with a number of Housing Associations to help meet the need for affordable homes in the borough for people who are unable to access housing in the private housing market. People who feel they need support for housing should contact the ABC Housing Services Team on 01233 330688. They can be advised as to whether or not they are eligible to be on the ABC Housing Register, for which a detailed form must be completed. Affordable homes for rent are then made available through a scheme called Choice Based Lettings. This scheme allows applicants to bid for property advertised by ABC, based on their housing needs. In particular, ABC aims to assist key workers to obtain housing in the area.

AFFORDABLE RURAL LOCAL NEEDS HOUSING

Affordable rural local needs housing is provided by a Registered Social Landlord (RSL) on land where the only type of development permissible is affordable local needs housing. These homes enable local people to remain in the village where they live or work and not be forced to move away because of high house prices and high rents. There may be opportunities for part-ownership too. Examples are at **Harmer's Way** run by Sanctuary Housing Association (contact Alison O'Connor 0800 1313348 or office 0208 8261688) and at **Chantlers Meadow**, Forstal Road, run by English Rural Housing Association (contact Luke Versteeg on 07552126679 or Ysella Sims. Office number for both is 0207 8207930). To apply for either of these places you would need to be on the ABC housing register and complete and return a Choice Based Lettings Housing Application Form 272Kb. You may be able to 'skip' some of the requirements for being on the Register if you meet the Egerton residency requirements for local needs housing in Harmers Way or Chantlers Meadow. These are quite strict and are set out in ABC's Housing Strategy on the website www.ashford.gov.uk. The staff at the Ashford Gateway in Church Road can also give advice on how to make an application.

EGERTON HOUSING ASSOCIATION

The Good Intent Cottages at Stonebridge Green, run by the Egerton Housing Association, are modestly-sized homes for local people to rent. They do not form part of the ABC Choice Based Lettings Scheme. The requirements for eligibility are set down by the Egerton Housing Association. They provide a very valuable start for villagers. Contact Sue Palmer on 01233 756266 for more information.

RESIDENTIAL CARE

Other services for older people, such as residential and nursing care, respite and day centres, are provided by Kent County Council. If you or someone you know is finding it difficult to manage every day activities you can complete an online assessment at www.kent.gov.uk. Otherwise there are several private nursing and residential homes for older people in Headcorn, Charing and Tenterden.

SHELTERED HOUSING AND HAVEN BUNGALOWS

ABC owns and manages over 450 sheltered housing dwellings in 13 schemes throughout the Borough. In addition there are a further 720 or so "haven" bungalows with a social alarm system provided – in Egerton there are 18 such bungalows in **Elm Close**. In each case the dwellings are for people over 50 years of age, with priority for those over 60. ABC offers a range of services to ensure a good quality of life for older people in the borough including free bus passes for over-60s and a Telecare service offering peace of mind and independent living to elderly, disabled and vulnerable residents.

Outdoor Recreation

BASKETBALL

There is a small tarmaced practice area for basketball in the upper recreation ground in the far corner, next to the back of the Millennium Hall.

CRICKET CLUB

The current position dates from the early 1970s when the ground was relocated from the Long Wozzel, at the bottom of the hill to the recreation ground. The old pavilion has been demolished and a replacement has been erected (completed July 2011) to complement the beautiful millennium hall.

The club has been in existence for over 100 years. There are complete minute books dating back to 1908 that continue without interruption to the present day and detailed averages from 1932 onwards. Players have historically come from the village or its close neighbours and the purpose of the Club has been and continues to be a facility for local people whatever their ability.

2016 was our Triennial Cricket Week, which took place in the first week of July. It was very successful.

For more information, call Paul Hope on 07885509751 or email ecc@egerton-kent.co.uk. The website is www.egerton.play-cricket.com.

FOOTPATHS IN EGERTON

There are many footpaths running through Egerton. There is a good map of all the paths in Egerton on display in a case on The Glebe, opposite the shop. An Ordnance Survey map of the area is a wise purchase to help to avoid any wrong turns. The Parish Council has a trained Community Access Warden for footpaths who deals with any problems relating to our network of rights of way. Her name is Pat Parr and she can be contacted on 01233 756601 or pat.parr@mypostoffice.co.uk.

FOOTBALL

Although after many years of hard work and local fundraising, the village now possesses excellent facilities in the recreation ground for both football and cricket, including a modern new pavilion, the adult football team was unfortunately forced to disband in 2015, largely due to the lack of a Team Manager.

However, there is a thriving junior team that was originally formed in 2008 as a joint venture with an existing Under 9 team in the adjoining village of Pluckley, and this combined team (now known as Egerton & Pluckley Utd. F.C. and committed to serving both communities) played at Pluckley until the end of the 2014/15 season. As youngsters get older, however, they need to play on more spacious pitches and the players, who now compete as Under 13s, have outgrown the confined site at Pluckley and have moved to Egerton where they play their home matches in the village playing fields on Saturday mornings.

New members are always welcome and information about player qualifications or club activities can be obtained, if required, from either John Harrison (telephone 01233 840822) or Craig Darnley (01233 840721) who are the club's two F.A. qualified coaches.

OUTDOOR PLAY AREA

For young children there is an outdoor play area at the top of the recreation ground near the Games Barn. It has safety matting throughout with various items of climbing equipment and swings. Children should always be supervised when using this area. For older children there is a basketball area near the Millennium Hall and a skatepark next to the football field, lower recreation ground.

RECREATION GROUND

Some time after the First World War, Lord Cornwallis gave the Parish eleven acres of land to use solely for recreation purposes. This area has fantastic views over the Weald of Kent and is a major asset to the village. The Upper Recreation Ground has the Millennium Hall and the Telecottage, the play area and the Games Barn. The Middle Recreation Ground has the Cricket Pitch and the Sports Pavilion and the Lower Recreation Ground has the Football Pitch and the Skatepark Area. The very bottom area is a memorial tree planting area where you can plant a tree in memory of a loved one. This is under the guidance of our Tree Warden, Peter Rawlinson, telephone 756393.

RUNNING CLUB

Several enthusiastic Egertonians decided to start a running club. They call themselves the “Greensand Joggers”. Contact Sarah Elworthy on 01233 756205 for further details.

SKATEPARK

Egerton worked hard with its youngsters to build a skatepark to be proud of. The youngsters designed it themselves and were involved all the way through the development of it. It is in the lower recreation ground at the far end of the football ground and is used by skateboarders and BMX bikers.

SPORTS PAVILION

Egerton has a beautiful, practical sports pavilion. It is available for hire for individual events or regular bookings. More details under “Clubs and Societies” section. Contact Bill and Joan Smyth on 01233 840362 to book.

NEIGHBOURHOOD WATCH

The Egerton co-ordinator is Lois Tilden at Potters Forstal Farm, Chapel Lane email neighbourhoodwatch@tilden.eclipse.co.uk tel 01233 756221. Kent Police and Kent Trading Standards officers issue messages, alerts and advice to local co-ordinators who then cascade the information to local residents by email or telephone. In Egerton, there is a thriving email network

but those not on email need messages passed to them by phone, note or in person, so the community depends on an effective grapevine. There are also other benefits of joining a Neighbourhood Watch scheme. For example, you can learn more about crime prevention and home security which will help keep your home and belongings safe. You might also get a discount on your home insurance.

Remember, if you see anything suspicious, report it direct to the Police (not the Neighbourhood Watch co-ordinator) by dialling 101. If a crime is in progress, dial 999. You should let the Neighbourhood Watch co-ordinator know afterwards so that others in the village can be alerted.

VILLAGE DESIGN STATEMENT, PARISH PLAN AND NEIGHBOURHOOD PLAN

A group of volunteers were set up a few years ago to produce a very impressive Village Design Statement which is being used by Ashford Borough Council as planning supplement advice on many aspects of design and materials in the village to ensure that new properties are additions to existing properties are carried out as sympathetically as possible to blend in with the surroundings of this beautiful village. You may be able to obtain a copy by ringing Jerry Crossley or Richard Wall on 01233 756676.

A few years later, another group of volunteers worked on a Parish Plan for Egerton which will help to identify what and how we want our village to develop in the future. This plan was published and distributed to every property in the village.

The latest project of this nature which is currently under discussion is a Neighbourhood Plan.

VOLUNTEER BUREAU

This organisation offers volunteers for free help with shopping, gardening, collecting library books and many more tasks to those unable to get out and about easily. They are also always looking to add to their list of volunteers, so if you can help them at all, please contact Brian Young on 01580 765819.
